ARTICLE 2. DELIVERY OF SERVICES

2.1 Orders. Customer shall submit to PhoneAmerica a properly completed Service Order to initiate Services to a Service Location(s). A Service Order shall become binding on the parties upon the earlier of (i) it is specifically accepted by PhoneAmerica Corp. either electronically or in writing, (ii) PhoneAmerica begins providing the Services described in the Service Order or (iii) PhoneAmerica begins Custom Installation (as defined in Section 2.7) for delivery of the Services described in the Service Order, whichever is earlier. When a Service Order becomes effective it shall be deemed part of, and shall be subject to, the Agreement.

2.2 Speed. PhoneAmerica makes no representation regarding the speed of the Internet Service. Actual speeds may vary and are not guaranteed. Many factors affect speed including, without limitation, the number of workstations using a single connection.

2.3 Access. Customer, at no cost to PhoneAmerica, shall secure and maintain all necessary rights of access to Service Location(s) for PhoneAmerica to install and provide the Services, unless PhoneAmerica has secured such access prior to this Agreement. In addition, Customer shall provide an adequate environmentally controlled space and such electricity as may be required for installation, operation, and maintenance of the PhoneAmerica Equipment used to provide the Services within the Service Location(s). PhoneAmerica and its employees and authorized contractors will require free ingress and egress into and out of the Service Location(s) in connection with the provision of Services. Upon reasonable notice from PhoneAmerica, Customer shall provide all required access to PhoneAmerica and its authorized personnel.

2.4 Service Commencement Date. Upon installation and connection of the necessary facilities and equipment to provide the Services, or in the case of Voice, the day Voice Service is activated, PhoneAmerica shall notify Customer that the Services are available for use, and the date of such notice shall be called the "Service Commencement Date." Any failure or refusal on the part of Customer to be ready to receive the Services on the Service Commencement Date shall not relieve Customer of its obligation to pay applicable Service charges.

2.5 PhoneAmerica Equipment. PhoneAmerica Equipment is and shall remain the property of PhoneAmerica regardless of where installed within the Service Location(s), and shall not be considered a fixture or an addition to the land or the Service Location(s). At any time PhoneAmerica may remove or change PhoneAmerica Equipment in its sole discretion in connection with providing the Services. Customer shall not move, rearrange, disconnect, remove, attempt to repair, or otherwise tamper with any

PhoneAmerica Equipment or permit others to do so, and shall not use the PhoneAmerica Equipment for any purpose other than that authorized by the Agreement. PhoneAmerica shall maintain PhoneAmerica Equipment in good operating condition during the term of this Agreement; provided, however, that such maintenance shall be at PhoneAmerica expense only to the extent that it is related to and/or resulting from the ordinary and proper use of the PhoneAmerica Equipment and all other maintenance shall be at Customer's expense. Customer is responsible for damage to, or loss of, PhoneAmerica Equipment caused by its acts or omissions, and its noncompliance with this Section, or by fire, theft or other casualty at the Service Location(s). Customer agrees not to take any action that could reasonably be expected to directly or indirectly impair PhoneAmerica title to or continued use of the PhoneAmerica Equipment, or expose PhoneAmerica to any claim, lien, encumbrance, or legal process, except as otherwise agreed in writing by the Parties. Following PhoneAmerica discontinuance of the Services to the Service Location(s), PhoneAmerica shall have the right to remove, at its sole cost and expense, the PhoneAmerica Equipment including, but not limited to, that portion of the PhoneAmerica Equipment located within the Service Location(s); provided that following such removal, Customer shall be responsible for returning the Service Location(s) to its prior condition and PhoneAmerica shall have no liability with respect thereto.

2.6 Customer-Provided Equipment. PhoneAmerica shall have no obligation to install, operate, or maintain Customer-Provided Equipment. Customer alone shall be responsible for providing maintenance, repair, operation and replacement of all inside telephone wiring and equipment and facilities on the Customer's side of the cable modem, route and/or coaxial input connection. All Customer-Provided Equipment and wiring that Customer uses in connection with the Services must be fully compatible with the Services. Customer shall be responsible for the payment of all charges for troubleshooting, maintenance or repairs attempted or performed by PhoneAmerica employees or authorized contractors when the difficulty or trouble report results from Customer-Provided Equipment.

2.7 Engineering Review. Each Service Order submitted by Customer shall be subject to an engineering review by PhoneAmerica. The engineering review will determine whether the cable plant must be extended, built or upgraded in order to provide the ordered Services at the requested Service Location(s), or whether Service installation has to be expedited to meet the Customer's requested Service Commencement Date ("Custom Installation"). PhoneAmerica will provide Customer written notification in the event Service installation at any Service Location will require an additional one-time installation fee ("Custom Installation Fee"). Customer will have five (5) days from receipt of such notice to reject the Custom Installation Fee and terminate, without further liability, the Service Order with respect to the affected Service Location(s).

PhoneAmerica may, at its sole option, make one or more administrative web sites available to Customer in connection with Customer's use of the Services (each an "Administrative Web Site"). PhoneAmerica may furnish Customer with one or more user identifications and/or passwords for use on the Administrative Web Site. Customer shall be responsible for the confidentiality and use of such user identifications and/or passwords and shall immediately notify PhoneAmerica if there has been an unauthorized release, use or other compromise of any user identification or password. In addition, Customer agrees that its authorized users shall keep confidential and not distribute any information or other materials made available by the Administrative Web Site. Customer shall be solely responsible for all use of the Administrative Web Site, and PhoneAmerica shall be entitled to rely on all Customer uses of and submissions to the Administrative Web Site as authorized by Customer. PhoneAmerica shall not be liable for any loss, cost, expense or other liability arising out of any Customer use of the Administrative Web Site or any information on the Administrative Web Site. PhoneAmerica may change or discontinue the Administrative Web Site, or Customer's right to use the Administrative Web Site, at any time. Additional terms and policies may apply to Customer's use of the Administrative Web Site. These terms and policies will be posted on the site.

ARTICLE 3. CHARGES, BILLING AND PAYMENT

3.1 Charges. Customer shall pay PhoneAmerica one hundred percent (100%) of the Custom Installation Fee prior to the installation of Service. Customer further agrees to pay all charges associated with the Services, as set forth or referenced in the applicable Service Order(s) or invoiced by PhoneAmerica. These charges may include, but are not limited to installation charges, monthly recurring service charges, usage charges including without limitation charges for the use of PhoneAmerica Equipment, per-call charges, charges for service calls, maintenance and repair charges, and applicable federal, state, and local taxes, fees, surcharges and recoupments (however designated). Some Services such as measured and per-call charges, (as explained below in the Voice Additional Terms) may be invoiced after the Service has been provided to Customer. PhoneAmerica, in its sole discretion, may amend the pricing Schedule from time to time and such amendments shall become effective twenty- four (24) hours after notice to Customer. Unless specified explicitly to the contrary, all prices are in U.S. dollars. With respect to all prepaid Services, Customer must maintain a positive account balance with PhoneAmerica with respect to such Services. No termination of this Agreement shall relieve Customer of its obligation to make payments due hereunder, including past balances. Customer acknowledges and agrees that all bills shall be calculated and paid based on PhoneAmerica records.

3.2 Third-Party Charges. Customer may incur charges from third party service providers that are separate and apart from the amounts

charged by PhoneAmerica. These may include, without limitation, charges resulting from accessing on-line services, calls to parties who charge for their telephone-based services, purchasing or subscribing to other offerings via the Internet or interactive options on Public View Video, Video, or otherwise. Customer agrees that all such charges, including all applicable taxes, are Customer's sole responsibility. In addition, Customer is solely responsible for protecting the security of credit card information provided to others in connection with such transactions.

3.3 Payment of Bills. Except as otherwise indicated herein or on the Service Order(s), PhoneAmerica will invoice Customer in advance on a monthly basis for all monthly recurring Service charges and fees arising under the Agreement. All other charges will be billed monthly in arrears. Customer shall make payment to PhoneAmerica for all invoiced amounts within thirty (30) days after the date of the invoice. Any amounts not paid to PhoneAmerica within such period will be considered past due. If a Service Commencement Date is not the first day of a billing period, Customer's next monthly invoice shall include a *pro-rated* charge for the Services, from the date of installation to the first day of the new billing. In certain cases, PhoneAmerica may agree to provide billing services on behalf of third parties, as the agent of the third party. Any such third-party charges shall be payable pursuant to any contract or other arrangement between Customer and the third party. PhoneAmerica shall not be responsible for any dispute regarding these charges between Customer and such third party. Customer must address all such disputes directly with the third party.

3.4 Partial Payment. Partial payment of any bill will be applied to the Customer's outstanding charges in the amounts and proportions as solely determined by PhoneAmerica. No acceptance of partial payment(s) by PhoneAmerica shall constitute a waiver of any rights to collect the full balance owed under the Agreement.

3.5 Payment by Credit Card. Upon Customer's written request and PhoneAmerica acceptance of such request, PhoneAmerica will accept certain credit card payments for charges generated under the Agreement. By providing PhoneAmerica with a credit card number, Customer authorizes PhoneAmerica to charge the card for all charges generated under this Agreement, until (i) this Agreement is terminated or (ii) Customer provides sixty (60) days prior notice that PhoneAmerica stop charging the credit card. Customer agrees to provide PhoneAmerica with updated credit card or alternate payment information on a timely basis prior to the expiration or termination of the credit card on file or in the event that Customer's credit card limit is or will be insufficient to cover payment. If PhoneAmerica is unable to charge Customer's credit card for any reason, Customer agrees to pay all amounts due, including any late payment charges or bank charges, upon demand by PhoneAmerica. PhoneAmerica may limit the option to pay by credit card to specific Services or may discontinue acceptance of credit card payments in whole or in part upon thirty (30) days prior notice to Customer.

3.6 Credit Approval and Deposits. Initial and ongoing delivery of Services may be subject to credit approval. Customer shall provide PhoneAmerica with credit information requested by PhoneAmerica. Customer authorizes PhoneAmerica to make inquiries and to receive information about Customer's credit history from others and to enter this information in Customer's records. Customer represents and warrants that all credit information that it provides to PhoneAmerica will be true and correct. PhoneAmerica, in its sole discretion, may deny the Services based upon an unsatisfactory credit history. Additionally, subject to applicable regulations, PhoneAmerica may require Customer to make a deposit (in an amount not to exceed an estimated two-month's charge for the Services) as a condition to PhoneAmerica's provision of the Services, or as a condition to PhoneAmerica's continuation of the Services. The deposit will not, unless explicitly required by law, bear interest and shall be held by PhoneAmerica as security for payment of Customer's charges. If the provision of Service to Customer is terminated, or if PhoneAmerica determines in its sole discretion that such deposit is no longer necessary, then the amount of the deposit will be credited to Customer's account or will be refunded to Customer, as determined by PhoneAmerica.

3.7 Taxes and Fees. Customer shall be responsible for the payment of any and all applicable local, state, and federal taxes or fees (however designated). Customer will be responsible to pay any Service fees, payment obligations and taxes that become applicable retroactively.

3.8 Other Government-Related Costs and Fees. PhoneAmerica reserves the right to invoice Customer for any fees or payment obligations in connection with the Services imposed by governmental or quasi-governmental bodies in connection with the sale, installation, use, or provision of the Services, including, without limitation, applicable franchise fees (if any), regardless of whether PhoneAmerica or its Affiliates pay the taxes directly or are required by an order, rule, or regulation of a taxing jurisdiction to collect them from Customer. These obligations may include those imposed on PhoneAmerica or its affiliates by an order, rule, or regulation of a regulatory body or a court of competent jurisdiction, as well as those that PhoneAmerica or its affiliates are required to collect from the Customer or to pay to others in support of statutory or regulatory programs. For example, Voice customers are charged a monthly regulatory recovery fee to help defray PhoneAmerica's contributions to municipal, state, and federal programs including, without limitation, universal service, telecom relay services for the visually/hearing impaired, and 911/E911 programs and infrastructure. This regulatory recovery fee is not a tax, and it is not government-mandated. Taxes and other government-related fees and surcharges may be changed with or without notice,

3.9 Disputed Invoice. If Customer disputes any portion of an invoice, Customer must pay the undisputed portion of the invoice and submit a written claim, including all documentation substantiating Customer's claim, to PhoneAmerica for the disputed amount of the invoice by the invoice due date. The Parties shall negotiate in good

faith to resolve the dispute. However, should the parties fail to mutually resolve the dispute within sixty (60) days after the dispute was submitted to PhoneAmerica, all disputed amounts shall become immediately due and payable to PhoneAmerica.

3.10 Past-Due Amounts. Any undisputed payment not made when due will be subject to a late charge not to exceed the highest amount allowed by law on the unpaid invoice. If Customer's account is delinquent, PhoneAmerica may refer the account to a collection agency or attorney that may pursue collection of the past due amount and/or any PhoneAmerica Equipment that Customer fails to return in accordance with the Agreement. If PhoneAmerica is required to use a collection agency or attorney to collect any amount owed by Customer or any unreturned PhoneAmerica Equipment, Customer agrees to pay all reasonable costs of collection or other action. The remedies set forth in this Section 3.10 are in addition to and not in limitation of any other rights and remedies available to PhoneAmerica under the Agreement or at law or in equity.

3.11 Rejected Payments. Except to the extent otherwise prohibited by law, Customer will be assessed a service charge up to the full amount permitted under applicable law for any check or other instrument used to pay for the Services that has been rejected by the bank or other financial institution.

3.12 Fraudulent Use of Services. Customer is responsible for all charges attributable to Customer with respect to the Services, even if incurred as the result of fraudulent or unauthorized use of the Services. PhoneAmerica may, but is not obligated to, detect or report unauthorized or fraudulent use of Services to Customer. PhoneAmerica reserves the right to restrict, suspend or discontinue providing any Service in the event of fraudulent use by Customer.

ARTICLE 4. TERM

4.1 Agreement Term. This Agreement shall terminate upon the expiration or other termination of the final existing Service Order entered into under this Agreement. The term of a Service Order shall commence on the Service Commencement Date and shall terminate at the end of the stated Service Term of such Service. Unless otherwise stated in these terms and conditions, if a Service Order does not specify a term of service, the Service Term shall be one (1) year from the Service Commencement Date.

4.2 Service Order Renewal. Upon the expiration of the Service Term, this Agreement and each applicable Service Order shall automatically renew for successive periods of one (1) year each ("Renewal Term(s)"), unless otherwise stated in these terms and conditions or prior notice of non-renewal is delivered by either Party to the other at least thirty (30) days before the expiration of the Service Term or the then current Renewal Term, or in the case of Louisiana Customers,

notice of non-renewal is delivered to PhoneAmerica within thirty (30) days following the expiration of the Service Term or the then current Renewal Term.

ARTICLE 5. TERMINATION OF AGREEMENT AND/OR A SALES ORDER

5.1 Termination for Convenience. Notwithstanding any other term or provision in this Agreement, (i) Customer shall have the right to terminate a Service Order, or this Agreement in whole or part, at any time during the Service Term upon sixty (60) days prior notice to PhoneAmerica, and subject to payment to PhoneAmerica of all outstanding amounts due for the Services, any and all applicable Termination Charges, and the return of any and all PhoneAmerica Equipment and (ii) PhoneAmerica shall have the right to terminate a Service Order, or this Agreement in whole or part, at any time during the Service Term upon sixty (60) days prior notice to Customer.

5.2 Termination for Cause. The occurrence of any of the following events shall permit a termination of this Agreement for Cause.

(a) If Customer is in breach of a payment obligation (including failure to pay a required deposit), and fails to make payment in full within ten (10) days after receipt of notice of default, or has failed to make payments of all undisputed charges on or before the due date on three (3) or more occasions during any twelve (12) month period, PhoneAmerica may, at its option, terminate this Agreement, terminate the affected Service Orders, suspend Service under the affected Service Orders, and/or require a deposit, advance payment, or other satisfactory assurances in connection with any or all Service Orders as a condition of continuing to provide the Services. However, PhoneAmerica will not take any such action as a result of Customer's non-payment of a charge that is the subject of a timely billing dispute, unless the parties have reviewed the dispute and determined in good faith that the charge is correct.

(b) If Customer breaches any material term of this Agreement and the breach continues without remedy for thirty (30) days after notice of default, the PhoneAmerica, at its option, terminate this Agreement, terminate the affected Service Orders, suspend Service under the affected Service Orders, and/or require a deposit, advance payment, or other satisfactory assurances in connection with any or all Service Orders as a condition of continuing to provide the Services.

(c) This Agreement or any Service Order may be terminated by either party immediately if the other party has become insolvent, is involved in liquidation or termination of its business, is adjudicated bankrupt, or is involved in an assignment for the benefit of its creditors.

For the avoidance of doubt, termination by either party of a Service Order does not waive any other rights or remedies that it may have under this Agreement.

5.3 Effect of Expiration or Termination of the Agreement or a Service Order.

Upon the expiration or termination of a Service Order for any reason: (i) PhoneAmerica may disconnect the applicable Service; (ii) PhoneAmerica may delete all applicable data, files, electronic messages, voicemail or other information stored on PhoneAmerica's servers or systems; (iii) if Customer has terminated the Service Order prior to the expiration of the Service Term for convenience, or if PhoneAmerica has terminated the Service Order prior to the expiration of the Service Term as a result of material breach by Customer, PhoneAmerica may assess and collect from Customer applicable Termination Charges; (iv) Customer shall, permit PhoneAmerica access to retrieve from the applicable Service Locations any and all PhoneAmerica Equipment (however, if Customer fails to permit access, or if the retrieved PhoneAmerica Equipment has been damaged and/or destroyed other than by PhoneAmerica or its agents, normal wear and tear excepted, PhoneAmerica may invoice Customer for the full replacement cost of the relevant PhoneAmerica Equipment, or in the event of minor damage to the retrieved PhoneAmerica Equipment, the cost of repair, which amounts shall be immediately due and payable); and (v) if used in conjunction with the terminated Service, Customer's right to use applicable Licensed Software shall automatically terminate, and Customer shall be obligated to return the Licensed Software to PhoneAmerica.

5.4 Regulatory and Legal Changes. The parties acknowledge that the respective rights and obligations of each party as set forth in this Agreement upon its execution are based on law and the regulatory environment as it exists on the date of execution of this Agreement. PhoneAmerica may, in its sole discretion, immediately terminate this Agreement, in whole or in part, in the event there is a material change in any law, rule, regulation, Force Majeure event, or judgment of any court or government agency, and that change affects PhoneAmerica's ability to provide the Services herein.

Notwithstanding the foregoing, such information may be disclosed (i) to the receiving party's employees, affiliates, and agents who have a need to know for the purpose of performing this Agreement, using the Services, rendering the Services, and marketing related products and services (provided that in all cases the receiving party shall take appropriate measures prior to disclosure to its employees, affiliates, and agents to assure against unauthorized use or disclosure and shall remain liable for any disclosure thereof); or (ii) as otherwise authorized by this Agreement. Each party agrees to treat all Confidential Information of the other in the same manner as it treats its own proprietary information, but in no case using a degree of care less than a reasonable degree of care. Confidential Information may be used solely for the purposes of fulfilling the requirements of, and consummating the transactions contemplated by, this Agreement and may not be used for any other reason, including competing with the disclosing party.

Notwithstanding the foregoing, each party's confidentiality obligations hereunder shall not apply to information that: (i) is already known to the receiving party without a pre-existing restriction as to disclosure; (ii) is or becomes publicly available without fault of the receiving party; (iii) is rightfully obtained by the receiving party from a third party without restriction as to disclosure, or is approved for release by written authorization of the disclosing party; (iv) is developed independently by the receiving party without use of the disclosing party's Confidential Information; or (v) is required to be disclosed by law or regulation.

PhoneAmerica reserves the right to act immediately and without notice to terminate or suspend the Services and/or to remove from the Services any information transmitted by or to Customer or users, if PhoneAmerica (i) determines that such use or information does not conform with the requirements set forth in this Agreement, (ii) determines that such use or information interferes with PhoneAmerica ability to provide the Services to Customer or others, (iii) reasonably believes that such use or information may violate any laws, regulations, or written and electronic instructions for use. PhoneAmerica action or inaction in enforcing acceptable use shall not constitute review or approval of Customer's or any other users' use or information. Notwithstanding the foregoing, the occurrence of any of the foregoing shall not excuse Customer's obligation to pay for Services. Changes in economic, business or competitive condition shall not be considered force majeure events unless caused directly or indirectly by the force majeure events set forth in this Section 12.2.

13.2 Assignment and Transfer. Neither Party shall assign any right, obligation or duty, in whole or in part, nor of any other interest hereunder, without the prior written consent of the other Party, which shall not be unreasonably withheld. The foregoing notwithstanding, PhoneAmerica may assign this Agreement to any affiliate, related entity, or successor in interest without Customer's consent. In addition, PhoneAmerica may partially assign its rights and obligations hereunder to any party that acquires from PhoneAmerica all or substantially all of the assets of a network(s) in which the Services is deployed to Customer. 13.5 Entire Understanding. The Agreement constitutes the entire understanding of the parties related to the subject matter hereof. The Agreement supersedes all prior agreements, proposals, representations, statements, or understandings, whether written or oral, concerning the Services or the parties' rights or obligations relating to the Services. Any prior representations, promises, inducements, or statements of intent regarding the Services that are not expressly provided for in this Agreement are of no effect. In such event, the terms set forth in the Agreement may, under applicable law, be superseded by the terms and conditions of the Tariffs. Without limiting the generality of the foregoing, in the event of any inconsistency with respect to rates, the rates and other terms set forth in the applicable Sales Order shall be treated as individual case based arrangements to the maximum extent permitted by law, and PhoneAmerica shall take such steps as are required by law to make the rates and other terms enforceable. If PhoneAmerica voluntarily or involuntarily

cancels or withdraws a Tariff under which a Service is provided to Customer, the Service will thereafter be provided pursuant to the Agreement and the terms and conditions contained in the Tariff immediately prior to its cancellation or withdrawal. In the event that PhoneAmerica is required by a governmental authority to modify a Tariff under which Service is provided to Customer in a manner that is material and adverse to either party, the affected party may terminate the applicable Sales Order upon a minimum thirty (30) days' prior notice to the other party, without further liability.

ADDITIONAL TERMS APPLICABLE TO VOICE SERVICES AND HOSPITALITY VOICE SERVICES

In addition to provisions 1 THROUGH 13 above, the following Articles 16 through 20 are specifically applicable to Voice Services.

ARTICLE 14: USAGE BILLING

14.1 Voice Service calling plans billed as a flat monthly fee may not include certain call types. These excluded call types will instead be charged on a per-call basis (e.g., operator services) or a measured basis (e.g., international calls). Generally, for billing purposes, a measured call begins when the call is answered by the called party or an automated answering device (such as an answering machine or fax machine); it ends when one of the parties disconnects the call.

14.2 Except as otherwise provided in these General Terms and Conditions, Voice Service measured calls are recorded in whole minutes, with partial minutes rounded up to the next whole minute. If the computed charge for a measured call or for taxes or surcharges includes a fraction of a cent, the fraction is rounded up to the nearest whole cent.

14.3 Notwithstanding anything to the contrary in this Agreement, some providers (e.g., those involved in calls to foreign countries) charge for a completed call when the called party's line rings or after a certain number of rings. If such a provider charges PhoneAmerica, or its Associated Parties, as if such a call were answered by the called party, PhoneAmerica will charge Customer for a completed call. Voice Service, including Hospitality Voice Service.

ARTICLE 15: USE POLICY

15.1 Additional Use Restrictions. Except as otherwise provided in the General Terms and Conditions, Voice Service may only be used at Service Location(s) where such service is installed by PhoneAmerica. Customer understands and acknowledges that if Customer attempts to install or use the PhoneAmerica Equipment or Voice Service at another location, Voice Service, including but not limited to 911/E911, may fail to function or may function improperly. It will be considered a material violation of this Agreement if Customer moves Voice Service to another location without first notifying PhoneAmerica. Customer expressly agrees not to use Voice Service for auto-dialing, continuous or extensive call forwarding, telemarketing, fax broadcasting or fax blasting, or for any other use that results in excessive usage inconsistent with standard commercial calling patterns. If PhoneAmerica determines, in its sole discretion, that Customer's use of Voice Service is excessive or in violation of this Agreement, PhoneAmerica reserves the right, among other things, to terminate or modify Voice Service immediately and without notice.

ARTICLE 16A: SERVICE LIMITATION

16A.1 Disruption of Service. Customer acknowledges and understands that Voice Service will not be available for use under certain circumstances, including without limitation when the network or facilities are not operating or if normal electrical power to the MTA, ATA or ALG is interrupted and such equipment does not have a functioning backup. Customer also understands and acknowledges that the performance of the battery backup is not guaranteed. If the battery backup does not provide power, Voice Services will not function until normal power is restored. Customer also understands that certain online features of Voice Service, where such features are available, will not be available under certain circumstances, including but not limited to the interruption of the Internet connection.

16A.2 Provision of Service. Subject to the terms and conditions herein, Voice Services are intended for commercial use only.

16A.3 LIMITATION OF LIABILITY AND INDEMNIFICATION. CUSTOMER ACKNOWLEDGES AND AGREES THAT NEITHER PHONEAMERICA NOR ITS ASSOCIATED PARTIES WILL BE LIABLE FOR ANY VOICE SERVICE OUTAGE, OR DISRUPTION EXCEPT TO THE EXTENT CAUSED BY THE FRAUD OR WILLFUL MISCONDUCT OF PHONEAMERICA. CUSTOMER AGREE TO DEFEND, INDEMNIFY, AND HOLD HARMLESS PHONEAMERICA AND ITS ASSOCIATED PARTIES FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, FINES, PENALTIES, COSTS, AND EXPENSES (INCLUDING BUT NOT LIMITED TO REASONABLE ATTORNEY FEES) BY, OR ON BEHALF OF, CUSTOMER OR ANY THIRD PARTY OR USER OF THE VOICE SERVICES RELATING TO THE FAILURE OR DISRUPTION OF THE SERVICES, EXCEPT TO THE EXTENT CAUSED BY THE FRAUD OR WILLFUL MISCONDUCT OF PHONEAMERICA.

ARTICLE 17: LIMITATIONS OF 911/E911

17.1 Limitations. Voice Services includes a 911/ Enhanced 911 function ("911/E911") that may differ from the 911 or Enhanced 911 function furnished by other providers. As such, it may have certain limitations. CUSTOMER ACKNOWLEDGES AND ACCEPTS ANY LIMITATIONS OF 911/E911.

17.2 Correct Address. In order for Customer's 911/E911 calls to be properly directed to emergency services, PhoneAmerica must have Customer's correct Service Location address. If Customer moves Voice Service to a different Service Location without PhoneAmerica's approval, 911/E911 calls may be directed to the wrong emergency authority, may transmit the wrong Service Location address, and/or Voice Service (including 911/E911) may fail altogether. Therefore, Customer must contact PhoneAmerica at least five (5) days before moving Voice Service to a new Service Location. All changes in Service Location require PhoneAmerica's prior approval.

17.3 Service Interruptions. Customer acknowledges and understands that certain Voice Service uses the electrical power in Customer's Service Location. If there is an electrical power outage, 911 calling may be interrupted if the battery backup in the associated MTA, ALA or ALG is not installed, fails, or is exhausted after several hours. Furthermore, calls, including calls to 911/E911, may not be completed if Customer exceeds its Voice Service and equipment configuration calling capacity or if there is a problem with network facilities, including network congestion, network/equipment/power failure, or another technical problem.

17.4 Suspension and Termination by PHONEAMERICA CORP. Customer understands and acknowledges that Voice Service, including 911/E911, as well as all online features of Voice Service, where PhoneAmerica make these features available, will be disabled if Customer's account is suspended or terminated.

17.5 LIMITATION OF LIABILITY AND INDEMNIFICATION. CUSTOMER ACKNOWLEDGES AND AGREES THAT NEITHER PHONEAMERICA NOR ITS ASSOCIATED PARTIES WILL BE LIABLE FOR ANY VOICE SERVICE OUTAGE, INABILITY TO DIAL 911 USING THE SERVICES, AND/OR INABILITY TO ACCESS EMERGENCY SERVICE PERSONNEL. CUSTOMER AGREE TO DEFEND, INDEMNIFY, AND HOLD HARMLESS PHONEAMERICA AND ITS ASSOCIATED PARTIES FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, FINES, PENALTIES, COSTS, AND EXPENSES (INCLUDING BUT NOT LIMITED TO REASONABLE ATTORNEY FEES) BY, OR ON BEHALF OF, CUSTOMER OR ANY THIRD PARTY OR USER OF THE VOICE SERVICES RELATING TO THE FAILURE OR OUTAGE OF THE SERVICES, INCLUDING THOSE RELATED TO 911/E911.

ARTICLE 18: VOICE EQUIPMENT REQUIREMENTS

18.1 MTA. To use Voice Service, Customer will need a multimedia terminal adapter ("MTA"), application layer gateway ("ALG"), analog telephone adapter ("ATA") or other adapter device. Customer can lease an MTA from PhoneAmerica, in which case it will be PhoneAmerica Equipment. Or, in some areas, PhoneAmerica may permit Customer to use Voice Service with an MTA that Customer has purchased, in which case the MTA will be Customer Equipment. Customer agrees to keep the MTA plugged into a working electrical power outlet at all times.

18.2 Incompatible Equipment and Services. Customer acknowledges and understands Voice Service may not support or be compatible with:

(a) Non-recommended configurations including but not limited to MTAs, ATAs or ALGs not currently certified by PhoneAmerica as compatible with Voice Service;

(b) Certain non-voice communications equipment, including certain makes or models of alarm and security systems, certain medical

monitoring devices, certain fax machines, and certain “dial-up” modems;

(c) Rotary-dial phone handsets, pulse-dial phone handsets, and models of other voice-related communications equipment such as certain private branch exchange (PBX) equipment, answering machines, and traditional Caller ID units;

(f) Other call types not expressly set forth in PhoneAmerica’s product literature (e.g., outbound shore-to-ship calling).

ARTICLE 19: ADDITIONAL LIMITATIONS ON PHONEAMERICA’S LIABILITY FOR VOICE SERVICE

19.1 Limitations on PhoneAmerica’s Liability for Directories and Directory Assistance for Voice Service Customers. THESE LIMITATIONS SHALL APPLY WHERE PHONEAMERICA MAKES AVAILABLE AN OPTION TO LIST CUSTOMER’S NAME, ADDRESS, AND/OR TELEPHONE NUMBER IN A PUBLISHED DIRECTORY OR DIRECTORY ASSISTANCE DATABASE, AND ONE OR MORE OF THE FOLLOWING CONDITIONS OCCURS: (i) CUSTOMER REQUESTS THAT CUSTOMER’S NAME, ADDRESS AND/OR PHONE NUMBER BE OMITTED FROM A DIRECTORY OR DIRECTORY ASSISTANCE DATABASE, BUT THAT INFORMATION IS INCLUDED IN EITHER OR BOTH; (ii) CUSTOMER REQUESTS THAT CUSTOMER’S NAME, ADDRESS AND/OR PHONE NUMBER BE INCLUDED IN A DIRECTORY OR DIRECTORY ASSISTANCE DATABASE, BUT THAT INFORMATION IS OMITTED FROM EITHER OR BOTH; OR (iii) THE PUBLISHED OR LISTED INFORMATION FOR CUSTOMER’S ACCOUNT CONTAINS MATERIAL ERRORS OR OMISSIONS. IF ANY OF THESE CONDITIONS PERTAIN, THEN THE AGGREGATE LIABILITY OF PHONEAMERICA AND ITS ASSOCIATED PARTIES SHALL NOT EXCEED THE MONTHLY CHARGES, IF ANY, WHICH CUSTOMER HAS ACTUALLY PAID TO PHONEAMERICA TO LIST, PUBLISH, NOT LIST, OR NOT PUBLISH THE INFORMATION FOR THE AFFECTED PERIOD. CUSTOMER SHALL HOLD HARMLESS PHONEAMERICA AND ITS ASSOCIATED PARTIES AGAINST ANY AND ALL CLAIMS FOR DAMAGES CAUSED OR CLAIMED TO HAVE BEEN CAUSED, DIRECTLY OR INDIRECTLY, BY THE ERRORS AND OMISSIONS REFERENCED ABOVE. FURTHERMORE, IF PHONEAMERICA MAKES AVAILABLE DIRECTORY ADVERTISING SERVICES, NEITHER PHONEAMERICA NOR ANY OF ITS ASSOCIATED PARTIES WILL BE LIABLE FOR ANY ACTS, ERRORS, OR OMISSIONS RELATED TO SUCH DIRECTORY ADVERTISING.

19.2 CUSTOMER INFORMATION. PhoneAmerica and its suppliers reserve the right both during the term of this Agreement and upon its termination to delete Customer’s voicemail, call detail, data, files, or other information that is stored on PhoneAmerica or its

suppliers’ servers or systems, in accordance with our storage policies. Customer understands and acknowledges that PhoneAmerica shall have no liability whatsoever as a result of the loss or removal of any such voicemail, call detail, data, files, or other information.

ARTICLE 20A: ADDITIONAL TERMS APPLICABLE TO TOLL FREE SERVICES

In addition to Articles 1 THROUGH 13 and Articles 17 THROUGH 20, the following Article 20A is specifically applicable to Toll Free Services offered by PhoneAmerica:

20A.1 Limitation. Subject to service availability, Customer may order Toll Free Services. Toll Free Services are not intended for residential use. In order to purchase and retain Toll Free Service with PhoneAmerica, Customer must have Voice Services, and must map each Toll Free telephone number (“TFN”) to a Voice Service telephone number (“Associated TN”). If Customer terminates an Associated TN at any time during the Toll Free Services term, Customer must immediately: (1) map the applicable TFN to another Digital Voice telephone number on Customer’s PhoneAmerica account, (2) purchase a new Digital Voice telephone number to map to the TFN, (3) port out the TFN to another toll free carrier; or (4) disconnect the TFN. If Customer fails to take immediate action as indicated above, PhoneAmerica will disconnect the TFN. PhoneAmerica shall have no liability for loss of Toll Free Services which results from Customer failing to take immediate action as indicated above.

20A.2 Term and Termination. Toll Free Services are offered on a month to month basis. Customer shall have the right to terminate Toll Free Services, at any time, for any reason, upon thirty (30) days prior notice to PhoneAmerica, subject to payment of all outstanding amounts due for the Toll Free Services and the return of any and all PhoneAmerica Equipment. Termination of Toll Free Services is not subject to Termination Charges. Toll Free Services will terminate simultaneously with Customer’s Voice Services.

20A.3 Authorization. When ordering Toll Free Service, as set forth or referenced in each applicable Service Order Customer authorizes PhoneAmerica to act as its agent in initiating and provisioning such Toll Free Service.

20A.4. Toll Free Charges

(b) Billing Increments. Unless otherwise stated in a Service Order, usage-based charges will be billed on either a per-minute or per-message basis. Service calls invoiced on a per-minute basis will have an initial minimum call duration of one (1) minute, subsequent

intervals of one (1) minute each, and will be billed by rounding to the next whole minute.

(c) Rounding of Charges. PhoneAmerica reserves the right to round up any and all invoice amounts to the nearest one (1) cent.

(d) Provision of Service. Subject to the terms and conditions herein, Toll Free Services are intended for commercial use only.

ARTICLE 20B: ADDITIONAL TERMS APPLICABLE TO TRUNK SERVICES

In addition to provisions 1 THROUGH 13 and Articles 17, 19 AND 20 above, the following Article 20B is specifically applicable to Trunk Services offered by PhoneAmerica:

20B.1 Limitation. Subject to service availability, Customer may order Trunk Services. Trunk Services are not intended for residential use.

20B.2 911 Notice for Trunk Services. Customer expressly acknowledges and agrees that it has reviewed, understands, and agrees to the terms set forth below.

(a) Customer action is essential to the protection of its employees and other users of the Trunk Services, as described below. Multi-line telephone systems, such as PBX systems, ordinarily only transmit the same, generic location information for all 911 calls placed from any handset connected to the PBX or other system. For example, in the case of a business with telephone extensions in three buildings and multiple floors in each building, the E911 call taker would only see the same main telephone number and location that the customer has identified, regardless of which station was used to place the call. **If Customer does not take action as described below, fire, police and other emergency responders may be delayed or even prevented from timely reaching its location in response to a 911 call.**

(b) PhoneAmerica offers the opportunity for Customers to designate up to ten different zones within their premises that would be separately identified to the E911 call taker, such as a specific floor, side of a building, or other identifying information that could assist emergency responders to more quickly reach the appropriate location. To utilize this option, Customer must in the initial or a subsequent Service Order request the assignment of Emergency Location Information numbers and provide location information for each zone exactly as it should appear to the 911 call taker. For each zone requested, up to ten, Customer will receive a phone number that PhoneAmerica will register in the 911 database or databases with the specific location information provided by Customer. Customer is solely responsible for programming its telephone system to map each station to one of these numbers, and for updating the system as necessary to reflect moves or additions of stations within the premises.

(c) Many states now require businesses using multi-line telephone systems to program their systems to transmit specific location information for 911 calls. Customer acknowledges and understands that it, and not PhoneAmerica, bears sole responsibility to ensure that it identifies and complies with all such applicable laws, and any failure to do so is a breach of the Agreement. Customer represents, warrants and covenants that it will utilize the PhoneAmerica Emergency Location Information numbers described above at least to the extent required by law, and that Customer does not require the use of more than ten different location identifiers or other features not currently offered under this Agreement in order to comply with applicable laws. Customer also warrants that it does not currently have "Private Switch/Automatic Location Identification" service in connection with its existing telephone service from another provider at the location(s) for which it has ordered Trunk Services from PhoneAmerica.

(d) PhoneAmerica will post only the main billing telephone number in the 911 database or databases using Customer's billing address as the Registered Location, unless Customer requests the assignment of Emergency Location Information as set forth above. Customer must notify PhoneAmerica, at least five (5) days prior to moving the Trunk Service to another location. Customer acknowledges that if they move prior to providing such notice and a 911 call is placed using the Trunk Services, or if Customer when using Emergency Location Information numbers does not timely update their telephone system to account for internal moves, adds and changes, the E911 call taker may see incorrect or incomplete location information and the caller may need to confirm their actual location information to the call taker. **(e)** Some businesses elect to make test calls to 911 from multiple stations to verify that the 911 call taker receives the desired location information and is able to call back one or more of the telephone numbers that they receive to confirm it rings to the station from which the 911 call was placed. If Customer chooses to do so, it agrees to obtain prior approval from the relevant emergency communications center and assumes all responsibility for the placement of such calls.

20B.3 Recommended Battery Back-Up is NOT Included

Customer acknowledges and understands that the Trunk Services use the electrical power from the Service Location. Customer understands and acknowledges that they may lose access to and use of the Trunk Services, including 911/E911, if electrical power to the Integrated Access Device (IAD), PBX switch, and/or handsets is interrupted and such devices are not supported by a working battery backup. Customer also understands and acknowledges PhoneAmerica does not provide a battery backup for such devices and Customer is urged to arrange for their own backup power supply to these devices. In the event of a power outage, the duration of Trunk Service during a power outage using the PhoneAmerica Equipment installed to provide Trunk Service will depend on Customer's backup power choice. If the IAD is disconnected or removed and/or a battery is not charged, Trunk Service, including

access to 911, will not be available. Customer acknowledges and agrees that in the event of a power failure, PhoneAmerica bears no responsibility for such loss of service.

20B.4 Customer Responsibility for Telephone Equipment

(a) Customer is solely responsible for providing and maintaining working PBX equipment and handsets (Customer- Provided Equipment), notifying and training its users regarding proper use of the system in accordance with applicable, including regulatory, requirements, and for any programming to its telephone system that may be necessary to enable direct dialing of N11 numbers such as 911 and to enable calls to be connected to new area codes. Customer also acknowledges and accepts that PhoneAmerica does not support seven- digit local calling even in areas of the country that still permit that option, and Customer will program its system as necessary to support ten-digit dialing for local calls.

(b) PhoneAmerica shall not be responsible to the Customer if changes in any of the facilities, operations or procedures of PhoneAmerica utilized in the provision of Trunk Service render any Customer-Provided Equipment or other equipment provided by a Customer obsolete or require modification or alteration of such equipment or system or otherwise affect its use or performance.

(c) Customer must arrange its Customer-Provided Equipment to provide for the interception of assigned but unused station numbers. A call intercepted by the attendant will be considered to be completed and subject to a charge for the call.

(d) Customer acknowledges and agrees that Trunk Service is not compatible with alarm and security systems, certain medical monitoring devices, certain fax machines, and certain “dial-up” modems. Customer’s attempt to use any such systems in connection with Trunk Services is solely at its own risk and PhoneAmerica shall not be liable for any damages whatsoever for any non-operation or damage to such services or devices.

20B.5 Trunk Service Charges.

(a) **Prices.** Trunk Service is subject to the trunk service pricing identified in the applicable Service Order.

(b) **Billing Increments.** Unless otherwise stated in a Service Order, domestic long distance calls, and in-bound domestic calls to toll-free numbers associated with Trunk Services will be billed on a per-minute or per-message basis. Service calls invoiced on a per-minute basis will have an initial minimum call duration of one (1) minute, subsequent intervals of one (1) minute each, and will be billed by rounding to the next whole minute. All other calls will be billed in accordance with the increments identified in the pricing lists and fees found on service order. For purposes of this section, “domestic” means calls within the continental United States.

ADDITIONAL TERMS APPLICABLE TO PRI SERVICES

In addition to provisions 1 THROUGH 13 and Articles 17, 19, 20 and 20B above, the following Article xxx - xxx is specifically applicable to PRI Services offered by PhoneAmerica:

21. Local Area. Notwithstanding anything to the contrary in the Agreement or in any Proposal, Customer acknowledges and agrees that PhoneAmerica will provide Customer with PRIs to serve only one local calling area (LATA) per PRI at the Customer locations served by PhoneAmerica under the Proposal(s).

22. Telephone Number Assignment. Customer shall assign telephone numbers from NPANXXs consistent with the PhoneAmerica Rate Center associated with such NPANXX. Customer shall terminate only local calls to its PRIs and all calls shall be rated as if originated and terminated based on the Rate Center served by the Proposal (and the ILEC local calling scope and NPANXX associated with such Rate Center). Customer shall be responsible for all toll or long distance charges for Customer’s end users at the applicable PhoneAmerica long distance rates set forth in PhoneAmerica tariffs and/or price lists (including in instances where the Customer’s end users’ local calling area differs from the local calling area of the relevant ILEC, and including calls that are unauthorized and/or originated by fraudulent means).

23. Traffic Thresholds. If Customer's traffic is comprised of greater than twenty percent (20%) of traffic originating from and/or terminating to third parties other than the ILEC, an additional \$0.02 penalty will be applied to all minutes exceeding this twenty percent (20%) threshold.

24. Signaling Information. Customer shall pass all signaling information it receives or generates associated with the traffic it sends to PhoneAmerica, including but not limited to originating line information, such as Calling Party Number (“CPN”) and Automatic Number Identification (“ANI”) and shall require its end users to comply with legal requirements pertaining to caller identification. If Customer does not send PhoneAmerica the correct signaling information or removes such information, including but not limited to

CPN and ANI, PhoneAmerica shall be entitled to charge Customer PhoneAmerica's tariffed per minute access charge rates associated with such traffic and shall also pass through any access or other charges assessed against PhoneAmerica by any other carrier for such traffic. In addition, PhoneAmerica reserves the right to terminate this Agreement immediately, cease providing any or all of the Services, and pursue any other remedies available to it if Customer does not send correct signaling information.

25. Reasonable Usage. Customer acknowledges that the charges for PRI Services ordered by Customer are based upon certain levels of usage. PhoneAmerica shall have the right to require Customer to purchase additional PRIs from PhoneAmerica if monthly traffic on a PRI exceeds 100,000 minutes per month or if the peak usage on a PRI exceeds 1,000 minutes per hour during normal business hours. At PhoneAmerica's option, if Customer does not cooperate with PhoneAmerica to purchase such additional PRIs, PhoneAmerica shall install such PRIs at its convenience and begin billing Customer for same or will charge Customer \$.02 per minute on each minute of use over the threshold set forth in this Section.
